## FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, and sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, a license renewal applicant who employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives, and Hispanics). If minority group representation in the available labor force is less than five percent (in the aggregate), equal employment opportunity (EEO) program information for minority group members need not be filed. However, EEO program information must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant employs fewer than five full-time employees, no equal employment opportunity activity information need be filed.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in license renewal being delayed or denied. These requirements are contained in Section 73.2080 of the FCC Rules (47 CFR 73.2080), and are authorized by the Communications Act of 1934, as amended.

- ☐ If your station employs fewer than five full-time employees, check the box at left, complete the certification below, return the form to the FCC, and place a copy in your station's public file. You do not have to complete the rest of the form.

If your station employs five or more full-time employees, you must complete all of this form and follow all instructions.

- ☐ If minority group representation in the available labor force is less than 5 percent (in the aggregate) and you choose not to file EEO program information for minority groups, check the box at left and complete the rest of this form with only the information for your program directed towards women.

THE FOREGOING NOTICE IS REQUIRED BY THE PRIVACY ACT OF 1974, P.L. 93-579, DECEMBER 31, 1974, 5 U.S.C. 552a(e)(3) AND THE PAPERWORK REDUCTION ACT OF 1980, P.L. 96-511, DECEMBER 11, 1980, 44 U.S.C. 3507.

The purpose of this document is to remind broadcast station licensees of their equal employment opportunity responsibilities and to provide the licensee, the FCC and the public with information about whether the station is meeting these requirements.

## GENERAL POLICY

A broadcast station must provide equal employment opportunity to all qualified individuals without regard to their race, color, religion, national origin or sex in all personnel actions including recruitment, evaluation, selection, promotion, compensation, training and termination.

A broadcast station must also encourage applications from qualified minorities and women for hiring and promotion to all types of jobs at the station.

## I. RESPONSIBILITY FOR IMPLEMENTATION

A broadcast station must assign a particular official overall responsibility for equal employment opportunity at the station. That official's name and title are:

NAME Jane Duff TITLE Administrative Assistant to the President

It is also the responsibility of all persons at a broadcast station making employment decisions with respect to recruitment, evaluation, selection, promotion, compensation, training and termination of employees to ensure that no person is discriminated against in employment because of race, color, religion, national origin or sex.

## II. POLICY DISSEMINATION

A broadcast station must make effective efforts to make management, staff, and prospective employees aware that it offers equal employment opportunity. The Commission considers the efforts listed below to be generally effective. Indicate each practice that your station follows. You also may list any other efforts that you have undertaken.

☒ Notices are posted informing applicants and employees that the station is an Equal Opportunity Employer and that they have the right to notify an appropriate local, State, or Federal agency if they believe they have been the victims of discrimination.

☒ Our station's employment application form contains a notice informing prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify the appropriate local, State, or Federal agency if they believe they have been the victims of discrimination.

☐ We seek the cooperation of the unions represented at the station to help implement our EEO program and all union contracts contain a nondiscrimination clause.

☒ Other (specify) As an ongoing effort to recruit employees, letters are sent periodically to organizations that provide referrals of women and minorities. Employees are also encouraged to make referrals of minorities and women to fill available openings.

## III. RECRUITMENT

A broadcast station must make efforts to attract qualified minority and women applicants for all types of jobs at the station whenever vacancies occur.

Indicate each practice that your station follows and, where appropriate, list sources and numbers of referrals.

☒ When we place employment advertisements with media some of such advertisements are placed with media which have significant circulation or viewership, or are of particular interest to minorities and women in the recruitment area. The FCC will use labor force data for the MSA in which your station is located, or county data if the station is not located in an MSA, to evaluate your station's equal employment efforts. If you use these data in your evaluation, you need not submit them to the FCC.

This section is optional:

As an alternative to MSA or county labor force data, you may use other data that more accurately reflect the percentages of women and minorities in the labor force available to your station. If such alternative data are used, that data must be submitted on the table below and an explanation attached as to why they are more appropriate.

#### VIII. OTHER INFORMATION

You may also describe other information that you believe would allow the FCC to evaluate more completely your efforts in providing equal opportunity in employment at your station. Submission of such information is optional. Among the additional information you may choose to provide are:

Any training programs the station has undertaken that are designed to enable minorities and women to compete in the broadcast employment market including, but not necessarily limited to, on-the-job training and assistance to students, schools or colleges.

See attachment, paragraph 1.

Any problems the station has experienced in assuring equal employment opportunity, or attracting qualified minority and women candidates for employment or promotion.

See attachment, paragraph 2.

Any efforts the station has undertaken or will undertake to promote equal opportunity in its employment and to encourage applications from minorities and women.

See attachment, paragraph 3.

KTBN-TV, SANTA ANA, CALIFORNIA  
FCC FORM 396 (page 5)

Paragraph 1. KTBN provides on the job training and seminars in equipment maintenance and operation. Minority and female employees have upgraded their qualifications through this process. Similarly, professional employees are encouraged to attend continuing education courses to update and improve their abilities.

Paragraph 2. While KTBN has sufficient numbers of minorities and women applying for positions, it seems fewer than the station would like ultimately accept employment. The reason for this seems to rest upon the fact that the station is not-for-profit, and higher paying positions are available through competing for-profit stations in the area.

Paragraph 3. KTBN will continue to strive to contact new organizations that may provide referrals of qualified minorities and women.
